

Weekly Project SCRUM Report
Date: 3/26/2021
Project Name: Deviance or Deservingness? Opioids, Morality, and Economic Precarity
Team Members: Della Lin, Michalina Jadick, Jayden Font, Divya Gowravaram, Nikita Jakkam
<p>Tasks Completed This Week:</p> <ul style="list-style-type: none"> - We added the following information to our scraper <ul style="list-style-type: none"> - Beneficiary - Number of campaign updates - Number of campaign comments - Country code - Currency code - Number of donations - Is a beneficiary a charity? (True/False) - Beneficiary charity name (if given) - Is a beneficiary a business? (True/False) - Are campaign organizer(s) part of a team? (True/False) - Does a campaign have comments enabled (True/False) - Does a campaign currently have donations enabled (True/False) - Made plans for how we will approach analyzing the data - Tried to do a preliminary scrape of the data
<p>Plans for Next Week:</p> <ul style="list-style-type: none"> - Sort campaigns by date - Begin data analysis with techniques discussed in deliverable 2 - Scrape more of the data and merge the results if we divide up the urls. - Create presentation of our project
<p>Obstacles and Questions:</p> <ul style="list-style-type: none"> - When running the scraper, we encountered two errors that interrupted its execution: <ul style="list-style-type: none"> - 403 Error, occurred when trying to open webpages and may be due to anti-scraping tools in GoFundMe's website - ConnectionResetError(54)/ChunkEncodingError, may have something to do with our internet connection but we are not entirely sure - We plan to reach out to someone at Spark! to assist us with troubleshooting these issues
<p>Met with the client recently? When is the next meeting with the client?:</p> <ul style="list-style-type: none"> - Had a group meeting on Wednesday, March 24th - Meetings are biweekly so next meeting with client is TBD due to Wellness Day on March 31st - Meeting for March 31st will be replaced by email updates
