

- **What have we worked on?**

We expanded upon our city council analysis, addressing the requests of the clients, and attempted to answer two more key questions.

- **What will we be working on next?**

For deliverable 4, we will finalize our final report as well as attempt to answer the last key question.

- **Have we run into any issues? Do I need help?**

No Issues.

- **Have we talked to the client recently? When are we meeting with them next?**

We met with the client last Friday and are planning to meet with them again this coming Wednesday.
